PROPERTY SUBJECT TO THIS DECLARATION

Section 1. Property Subject to This Declaration. The Phase One Property is and shall be improved, held, transferred and occupied subject to this Declaration.

Section 2. Additional Property. Declarant shall have the right but not the obligation to bring within the scheme of this Declaration, as Additional Property, additional land lying in the vicinity of the Phase One Property at any time within twenty (20) years from the date this Declaration is recorded, which annexation may be accomplished without the consent of the Association, the Owners, any mortgagee or other lien holder, or anyone else; provided, however, if the United States Department of Housing and Urban Development, Federal Housing Administration, or Veterans Administration require approval or consent to annexation of Additional Property by such agency or agencies as a condition to making or insuring loans in The Properties, and any such loans are in place at the time lands are proposed to be annexed, then Declarant shall obtain the required consent or approval incident to the proposed annexation. However, the Additional Property shall be limited to the extent that no more than a total of 400 Residential Units will constitute the Properties in their entirety.

Section 3. Method of Annexation. Additions authorized under this Article shall be made by recording a Supplemental Declaration extending the scheme of this Declaration to the Additional Property. The Supplemental Declaration shall describe the real property to be annexed and shall state that it is being made pursuant to the terms of this Declaration for the purpose of annexing property to the scheme of this Declaration and extending the jurisdiction of the Association to the Additional Property.

The Supplemental Declaration may contain such terms and provisions not inconsistent with this Declaration as may be desirable to reflect the different character, if any, of the real property being annexed or the various housing or community style characteristics and development approaches being implemented. Upon the recordation of any Supplemental Declaration, the Owners shall also have a right and non-exclusive easement of use and enjoyment in and to the Common Properties, if any, within the Additional Property and an obligation to contribute to the cost of operating, maintaining and insuring the said additional Common Properties. Any Supplemental Declaration recorded in accordance with the terms hereof shall be conclusive in favor of all persons who rely thereon in good faith. From and after recordation of any Supplemental Declaration, the Additional Property described therein shall be subject to the provisions of this Declaration and to the jurisdiction of the Association.

Section 4. Declarant Consent to Amendment. This Article II may not be amended without the written consent of the Declarant.

ARTICLE III

THE ASSOCIATION

Section 1. The Association. The Association is a nonprofit corporation charged with the duties and vested with the powers prescribed by law and set forth in the Certificate of Incorporation, the Bylaws and this Declaration. Neither the Certificate of Incorporation nor the Bylaws shall be amended or interpreted so as to be inconsistent with this Declaration. In the event of any such inconsistency, the provisions of this Declaration shall prevail. The officers and directors of the Association shall be required to be either (1) Members of the Association, or (2) officers, directors or agents of Declarant. The Board, and such officers as the Board may appoint, shall conduct the affairs of the Association.

Section 2. Membership. Declarant and each Owner shall be Members of the Association.

The Association membership of each owner shall be appurtenant to and inseparable from the Residential Unit giving rise to such membership, and any transfer of title to a Residential Unit shall operate automatically to transfer the membership in the Association appurtenant thereto to the new Owner.

Section 3. Voting Rights. The Association shall have two (2) classes of voting membership:

(a) Class "A". Class "A" Members shall be all Owners, with the exception of Declarant for so long as Declarant retains Class "B" voting rights. Each Class "A" Member shall have one (1) vote for each Residential Unit owned by that Member.

(b) Class "B". The Class "B" Member shall be Declarant. Upon the execution of this Declaration, the Class "B" Member shall be entitled to three (3) votes for each Lot owned, plus three (3) votes for each potential Lot, presuming maximum allowable density of all potential Additional Property from time to time owned or controlled by Declarant, calculated as of the time of any vote and regardless of whether the potential Additional Property has yet been annexed to The Properties. The number of Class "B" votes shall be reduced by one (1) vote for each Class "A" vote from time to time existing. The Class "B" membership shall terminate and become converted to Class "A" membership upon the earlier of the following:

(i) When the total outstanding Class "A" votes in the Association equals or exceeds the total outstanding Class "B" votes; or

(ii) Twenty (20) years from the date of recording this Declaration; or

(iii) When, in its discretion, Declarant so elects.

Upon the happening of any one of these events, Declarant shall call a special meeting of the Members to advise the Association membership of the termination of Class "B" status.

Section 4. Declarant Veto Power. From and after the termination of the Class "B" membership, Declarant shall have a veto power over all actions of the Association and the Board. This power shall expire when the Class "A" vote, other than that held by the Declarant, equals ninety percent (90%) of the total membership vote of the Association, or December 31, 2010, whichever occurs first. The veto shall be exercised as follows:

No action authorized by the Association or the Board shall take effect, nor shall any action, policy or program be implemented, until and unless:

(i) Declarant shall have been given written notice of each meeting of the Members and of the Board by certified mail, return receipt requested or by personal delivery, at the address it has registered from time to time with the Secretary of the Association, which notice otherwise complies with the terms of the Bylaws as to regular and special meetings of the Members and Board, and which notice shall set forth with reasonable particularity the agenda to be followed at said meeting; and

(ii) Declarant shall have been given the opportunity at each such meeting to join in the discussion of any proposed action, policy, or program to be implemented by the Board or the Association and to make its concerns and suggestions known to the Members of the Association or the Board. At such meeting Declarant shall have a veto power over any such action, policy or program proposed or authorized by the Board or the Association, and to be taken by said Board or the Association. Except as set forth in subsection (iii) below, the Declarant veto must be exercised by Declarant, its representatives, or agents at or before the meeting to consider proposed action. The veto power shall not include the authority to require any affirmative action on behalf of the Board or the Association; and

(iii) If any action, policy or program is to be implemented by prior consent without the formality of a meeting, the Declarant shall be provided a written notice and description of the proposed action, policy or program at least five (5) days in advance of such implementation, and Declarant shall have five (5) days after receipt of such notice to exercise its veto; and

(iv) Declarant shall not exercise its veto power in an arbitrary or capricious manner.

Section 5. Multiple Owners. Each vote in the Association must be cast as a single vote, and fractional votes shall not be allowed. If joint or multiple Owners are unable to agree among themselves as to how their vote is to be cast, or if more than one (1) vote is cast for any residential Unit, none of the votes for that Residential Unit shall be counted. If any Owner casts a vote on behalf of a Residential Unit, it shall be conclusively presumed that that Owner was acting with the authority and consent of all other Owners of that Residential Unit.

Section 6. Duties, Powers and Authority of the Association. The Association shall have all the powers of a non-profit corporation organized under the laws of Florida, subject only to such limitations as are set forth in the Certificate of Incorporation, the Bylaws, or this Declaration. The Association shall have the power to do all lawful things which may be authorized, assigned, required or permitted to be done by this Declaration, any Supplemental Declaration, the Certificate of Incorporation and the Bylaws, and to do and perform any and all acts which may be necessary or proper for, or incidental to, the exercise of any of the duties or powers of the Association for the benefit of the Owners and for the maintenance, administration and improvement of The Properties, the Common Properties and the Areas of Common Responsibility. It is the responsibility of the Association to operate and maintain the surface water management system;

ARTICLE IV

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Easements of Enjoyment. The Association, Declarant and each Owner shall have a non-exclusive right, privilege and easement of use and enjoyment in and to the Common Properties, if any, and such rights shall be appurtenant to and shall pass with the title to every Residential Unit in The Properties. Said rights shall include, but not be limited to, the following:

(a) Right-of-way for ingress and egress by vehicles and on foot in, through, over and across the streets, roads and walks in the Common Properties for all lawful purposes; and

(b) Rights and easements to drain across stormwater drainage, detention and retention structures and areas, and to connect with, maintain and make use of utility lines and facilities, which may from time to time be in or along the streets or in the Common Properties; and

(c) Rights to use and enjoy the Common Properties for any purpose not inconsistent with this Declaration, any Supplemental Declaration, the Bylaws, the rules and regulations of the Association, or applicable governmental regulations.

Section 2. Title to Common Properties. Declarant shall convey to the Association fee simple title in and to the Common Properties, if any Common Properties are created. Once conveyed to the Association, The Common Properties may not be mortgaged or further conveyed (excluding the grant or reservation of easements as permitted by this Declaration) without the affirmative vote or written consent of at least three-quarters (3/4) of the Owners, excluding Declarant.

Section 3. Extent of Easements. The rights and easements created hereby shall be governed by the following:

(a) Subject to the rights of Declarant and the Owners set forth in this Declaration, the Association shall be responsible for the exclusive management, control and maintenance of the Common Properties, if any.

(b) Declarant, until conveyance of title to the Association, and the Association thereafter, may reserve to itself or to grant or dedicate to Declarant, any Owner, any governmental agencies and/or to any utility companies, easements and rights-of-way, in, through, under, over and across the Common Properties for the installation, use, maintenance and inspection of lines and appurtenances for public or private utilities, stormwater drainage

improvements and areas, and for completion of the development. No improvement or material may be placed upon any such an easement as may damage or interfere with the installation or maintenance of utilities or that may alter the direction or flow of drainage.

(c) The rights of Declarant are reserved in this Declaration.

(d) Matters, easements and reservations shown on any plat of The Properties.

Section 4. Common Properties For Benefit of All Owners. All Common Properties, if any, shall be subject to general Association membership use and enjoyment without regard to the phase in which the Common Properties are located.

Section 5. Easement Reserved to Declarant Over Common Properties. Declarant hereby reserves such licenses, rights, privileges and easements in, through, over, upon and under all Common Properties, if any, including but not limited to, (1) the right to use the said properties for rights-of-way and easements to erect, install, maintain, inspect and use electric, lighting and telephone poles, fixtures, wires, cables, conduits, sewers, water mains, pipes and equipment, telephone and telecommunications lines and equipment, and electrical equipment, gas, cable television, drainage facilities, ditches or lines, or other utilities or services and for any other materials, equipment and services necessary or convenient for the completion, marketing, and use and enjoyment of The Properties, (2) the right to cut any trees, bushes or shrubbery, make any grading of the soil, or take any other similar action reasonably necessary to provide economical and safe utility installation and to maintain reasonable standards of health, convenience, safety and appearance, (3) the right to locate thereon wells, pumping stations and irrigation systems and lines, (4) the right and easement of ingress and egress for purposes of development, construction and marketing, and (5) such other rights as may be reasonably necessary to complete in an orderly and economic manner the development of all present and future phases of Loma del Sol; provided, however, that said reservation and right shall not be considered an obligation of Declarant to provide or maintain any such easement, utility, equipment or service. Declarant also reserves the right to connect with and make use of the utility lines and drainage improvements which may from time to time be in or along the streets and roads, or within the Common Properties or easement areas. The easements and rights-of-way herein reserved shall continue in existence in favor of Declarant after conveyance of Common Properties to the Association until such time as Declarant has sold all lands within or adjoining The Properties. This section may not be amended without the prior written consent of Declarant.

Section 6. Delegation of Rights. Any Owner or Declarant may also grant the benefit of any easement, license, right or privilege to tenants and guests for the duration of their tenancies or visits, but the same are not intended nor shall they be construed as creating any rights in or for the benefit of the general public.

ARTICLE V

INSURANCE AND CASUALTY LOSSES

The Board may obtain fidelity bond coverage in its discretion. In addition, the Board may obtain insurance for insurable improvements on the Common Properties or Areas of Common Responsibility, public liability policies covering the Association and Members for damage or injury caused by the negligence of the Association or any of its Members, guests or agents, and directors' and officers' liability insurance, and any other types of insurance coverages as the Board may deem appropriate, with such insureds, deductibles, provisions and coverage amounts as shall be determined by the Board. Premiums for any insurance so obtained shall be a Common Expense. The Association may elect to self-insure against any risk.

ARTICLE VI

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of Lien and Personal Obligation.

(a) Declarant for each Lot owned by it in The Properties, and each Owner, by acceptance of title to any Residential Unit, whether or not it shall be so expressed in any deed or other conveyance, shall be deemed to and hereby does covenant and agree to pay to the Association: (1) annual assessments or charges, (2) special assessments, and (3) individual assessments. Said assessments shall be fixed, established and assessed to the Owners as hereinafter provided. The assessments, together with interest thereon, late charges and costs of collection, including court costs and reasonable attorneys' and paralegals' fees (including fees and costs before trial, at trial and on appeal), shall be a charge and a continuing lien upon the Residential Unit against which such assessment is made from and after the date on which such assessment is due. Each such assessment, together with the aforementioned interest, late charges, costs and fees, shall also be the personal obligation of the person who was the Owner of the Residential Unit at the time the assessment fell due.

(b) Exempt Property. The following property now or hereafter subject to this Declaration shall be exempt from the assessments, charges and liens created herein:

1. All Common Properties;
2. All lands owned by Declarant which are not described on Exhibit "A" or which have not yet been annexed to the scheme of this Declaration by Supplemental Declaration; and
3. Lands and improvements fee title to which has been dedicated to Polk County or other governmental authority, to any utility company or to the public.

No other land or improvements in The Properties shall be exempt from these assessments, charges or liens. No Owner may avoid the assessment obligations by virtue of non-use or abandonment of the Common Properties.

Section 2. Purpose of Assessments. The assessments levied by the Association may be used for the purpose of promoting the recreation, health, safety, and welfare of The Properties and Owners thereof, for the performance by the Association of its duties and the exercise of the powers conferred upon it, for the improvement and maintenance of the Common Properties, if any, and the Areas of Common Responsibility, and for any other purpose deemed desirable or appropriate by the Board, including without limitation, any one or more of the following:

- (a) Payment of Association operating expenses; and
- (b) Lighting, irrigation, improvement and beautification of access ways and easement areas, and the acquisition, maintenance, repair and replacement of project identification signs and traffic control devices, and the costs of controlling and regulating traffic on the access ways; and
- (c) To pay, contest or compromise all real and personal property taxes and assessments separately levied upon or assessed against the Association or the Common Properties; and
- (d) Management, maintenance, improvement and beautification of Common Properties and the Areas of Common Responsibility; and
- (e) Funding of appropriate reserves for future repair and replacement; and
- (f) Procurement and maintenance of insurance and employment of accountants, attorneys and other professionals to represent the Association; and

(g) Doing anything necessary or desirable in the judgment of the Board to keep The Properties, the Common Properties and the Areas of Common Responsibility neat and attractive, to preserve or enhance the value thereof, to eliminate fire, health or safety hazards, or otherwise to benefit the Owners.

(h) Operation and maintenance of the surface water system;

Section 3. Determination of Assessments.

(a) Operating Budget. At least thirty (30) days prior to the end of the Association's fiscal year, the Board shall prepare a budget of the estimated costs of operating the Association during the coming year, including but not limited to operational items such as overhead and indirect costs, insurance, utilities, taxes, professional fees, repairs, reserves, maintenance and other operating expenses, as well as charges to cover any deficits from prior years, and capital improvement budget items approved by the Board under Subsection (b) below.

(b) Capital Budget. Each year the Board shall prepare a capital budget taking into account the number, type, life expectancy and expected replacement cost of replaceable assets. The Board shall then set the required annual capital contribution in an amount sufficient to meet the projected capital needs of the Association on a timely basis. The annual capital contribution fixed by the Board shall then be included in the annual operating budget and assessments described in Subsection (a), above.

(c) Adoption of Operating Budget. The Board shall mail to each Member a copy of the operating budget and projected assessments to be levied for the following year at least fifteen (15) days prior to the end of the Association's fiscal year. The operating budget and assessments shall become effective unless and until disapproved at a special meeting of the Members held not later than sixty (60) days after the proposed budget and assessments are mailed to the Members. To be effective, the disapproval must be by a vote of three-quarters (3/4) of the membership of the Association. In the event that the membership so disapproves the operating budget for the succeeding year, or in the event the Board shall fail to propose a budget, then and until such time as a new budget shall have been determined, the budget for the preceding year shall continue in effect.

(d) Allocation of Assessments Among Residential Units. The operating budget of the Association shall be assessed against all Owners and Residential Units in The Properties in an equal amount per Residential Unit.

Section 4. Special Assessments.

(a) Special Assessments. In addition to the annual assessments levied pursuant to Section 3, the Board may levy at any time a special assessment for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a capital improvement upon the Common Properties or any Area of Common Responsibility, for the purpose of covering any budget deficits of the Association, or for any other purpose deemed desirable or appropriate by the Board; provided, however, that any such special assessment shall have the approval of a majority of the votes of the Members of each class who are in attendance and voting in person or by proxy at a meeting duly called for said purpose.

(b) Individual Assessment. The Board may levy an individual assessment against any owner and that Owner's Residential Unit in order to cover costs incurred by the Association due to that Owner's failure to maintain its Residential Unit pursuant to the standards set forth in this Declaration, or to reimburse the Association for loss or damage to any Common Properties or any Area of Common Responsibility caused by that Owner or his lessee, guest or occupant, and not covered by insurance, or for any other purpose permitted by this Declaration.

Section 5. Commencement of Assessments; Initial Annual Assessments; Due Dates. Annual assessments on each Phase One Lot shall commence on the first day of the month following the month in which a Certificate of Occupancy is issued for the respective Lot. A \$100.00 initiation fee, per home will be due upon transfer of Title of Property from the Builder to the Owner of the Residential Unit. Regular assessments shall become due and payable the first of the month following the transfer of Title.

The annual assessment for the "Phase One" Property for the balance of the calendar year in which this Declaration is recorded shall not be greater than One Hundred Eighty Dollars (\$180.00) per Residential Unit. As to Residential Units in each Additional Property, the initial annual assessment shall be set forth in the pertinent Supplemental Declaration.

Annual assessments shall be due, in advance, on or before the commencement of the year for which imposed; but the Board may elect to collect assessments in monthly, quarterly or semi-annual installments. In the event of such deferred payments, the Board may charge a uniform, lawful rate of interest on the unpaid balance. The Board may accelerate the balance of any assessment upon default in the payment of any installment thereon.

Annual assessments which commence to accrue as to any Residential Unit other than on the first day of the year shall be prorated for the balance of that year.

Section 6. Certificate of Payment. Upon request, the Association shall furnish to any Owner liable for assessment a certificate setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence in favor of third parties relying thereon of the payment of any assessment therein stated to have been paid.

Section 7. Effect of Non-payment of Assessment. If any assessment or installment thereon is not paid when due, then such assessment shall become delinquent and the delinquent assessment together with interest thereon and such late charges as shall be imposed by the Board at its discretion, and the cost of collection thereof, shall be secured by a continuing lien on the Residential Unit as to which the assessment accrued. Such lien shall be prior to all other liens hereinafter created except taxes or assessments levied by governmental authority, and except as to the lien of any first mortgage. The lien shall be prior to and superior in dignity to homestead status. The said lien shall bind such Residential Unit in the hands of the then Owner and each subsequent Owner. The personal obligation of the Owner to pay such assessment, however, shall remain his personal obligation for the statutory period and personal liability shall not pass to his successors in title unless expressly assumed by them.

If the delinquent assessment or installment thereon is not paid within thirty (30) days after the due date, same shall bear interest from the date due at the highest lawful rate in Florida, or at such lesser rate as may be determined by the Board and uniformly applied, and the Association may bring an action for collection against the Owner personally obligated to pay the same and/or to foreclose the lien against the Residential Unit by judicial foreclosure in the same manner as foreclosure of a mortgage, and there shall be added to the amount of such assessment the aforesaid interest, late charges, costs of collection and attorneys' and paralegals' fees, as aforesaid, and the said costs of collection shall be recoverable whether or not suit be brought. The Owner shall also be required to pay the Association any assessments against the Lot which become due during the period of foreclosure. The Association shall have the right and power to bid at foreclosure sale and to own, sell, lease, encumber, use and otherwise deal with the Residential Unit as owner thereof.

Section 8. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage. Any mortgagee which obtains title to a Residential Unit by foreclosure of a mortgage, or by voluntary conveyance in lieu of such foreclosure, shall not be liable for the assessments pertaining to such Residential Unit or chargeable to the former Owner thereof which became due prior to the acquisition of title by said mortgagee. Such uncollected assessments, interest, late charges and collection costs incurred shall be deemed a Common Expense collectible from all Owners, including the acquiring mortgagee, on a pro-rata basis. Any such transfer to or by a mortgagee shall not relieve the transferee of responsibility nor the Residential Unit from the lien for assessments thereafter falling due. No sale or transfer shall release such Residential Unit from liability for any assessment thereafter becoming due.

Section 9. Proviso. Notwithstanding anything contained herein to the contrary, Declarant, as a Class "B" Member, shall not be obligated to pay any assessments as to any Lots owned by it during any period of time that Declarant pays the Common Expenses actually incurred over and above the income derived from assessments collectable from Class "A" Members. For purposes of this subsidy arrangement, Declarant need not subsidize or pay replacement reserves or capital expenditures. Declarant, at its option, may elect at any time to abandon the subsidy approach and commence payment of assessments for Lots owned by it.

ARTICLE VIII

ARCHITECTURAL CONTROL

Section 1. Architectural Control; ARB. All Residential Units in The Properties are subject to architectural review. This review shall be in accordance with this Article and the Loma del Sol Planning, Construction and Development Criteria ("the Planning Criteria"). No sitework, landscaping, utility extensions, drainage improvement, paving, parking area, swimming pool, pool enclosure, building, fence, wall or any other physical or structural improvement, or change or alteration to the exterior of any existing structures or improvements, or to any existing landscaping, shall be commenced, erected or maintained until the plans showing such details as the nature, size, workmanship, design, shape, finished grade elevation, height, materials and color of the same, together with a detailed landscape plan and a plot plan showing the location relative to boundaries and adjacent improvements of such proposed improvements or changes, shall have been approved in writing by the Architectural Review Board (the "ARB") as to the consistency with Declarant's development plan and the Planning Criteria, harmony of exterior design and materials, location in relation to surrounding structures, and drainage features and topography.

The ARB shall promulgate and revise from time to time the Planning Criteria. The Planning Criteria shall be written and made available to all builders in The Properties and to all Owners or prospective Owners. The Planning Criteria may include any matters considered appropriate by the ARE not inconsistent with the provisions of this Declaration.

So long as Declarant owns any lands subject to this Declaration, Declarant shall be entitled to appoint all members of the ARB. Thereafter, the membership of the ARB shall be determined by the Board. The ARB shall consist of no less than three (3) members, none of whom shall be required to be Owners or occupants of The Properties. Nothing herein shall limit the right of an Owner to finish or alter the interior of that Owner's Dwelling as that Owner desires. Decisions of the ARB shall be by majority action. No member of the ARB shall be entitled to compensation for services performed, but the ARB may employ professional advisors and pay reasonable compensation to such advisors from Association funds.

Section 2. Approval or Disapproval. Unless waived by the ARB, all plans shall be prepared by an architect or engineer or Residential Designer, said person to be employed by and at the expense of the Owner. Determinations by the ARB shall be binding on each Owner. If in its opinion, for any reason, including purely aesthetic reasons, the ARB should determine that a proposed improvement, alteration, etc. is not consistent with the Planning Criteria or the Declarant's development plan, or in the best interest of the community, such alteration or improvement shall not be made. Approval of the plans may be withheld not only because of non-compliance with any of the specific conditions, covenants and restrictions contained in this declaration, but also by virtue of the dissatisfaction of the ARB with the location of the structure on the Lot, the elevation, color scheme, finish, design, proportions, architecture, drainage plan, shape, height, style and appropriateness of the proposed structures or altered structures, the materials used therein, the planting, landscaping, size, height or location of vegetation on the Lot, or because of its reasonable dissatisfaction with any or all other matters or things which, in the judgement of the ARB, will render the proposed item of improvement inharmonious or out of keeping with the general development plan or the Planning Criteria. Two (2) sets of plans, specifications and plot plans shall be submitted to the ARB by the Owner prior to applying for a building Permit. The Owner shall obtain a written receipt for the plans and specifications from the ARB. Plans and re-submittals thereof shall be approved or disapproved within thirty (30) days after receipt by the ARB. Failure of the ARB to respond in writing to a submittal or re-submittal of plans within such period shall be deemed to be approval of the plans as submitted or resubmitted. The ARB

approval or disapproval shall be written and shall be accompanied by one (1) copy of the plans, etc., to be returned to the Owner. Whenever the ARB disapproves plans, the ARB shall specify the reason or reasons for such disapproval.

Section 3. Violations; Waiver. The work must be performed strictly in accordance with the plans as approved. If after plans have been approved, the improvements are altered, erected, or maintained upon the Residential Unit other than as approved, same shall be deemed to have been undertaken without ARB approval. After one (1) year from completion of any improvement, addition or alteration, said improvement shall, in favor of purchasers and encumbrances in good faith and for value, be deemed to comply with the provisions hereof unless a notice of such noncompliance executed by any member of the ARB shall appear in the Polk County public records, or legal proceedings shall have been instituted to enjoin the noncompliance or to enforce compliance with these provisions.

Section 4. Variances. The ARB may grant variances from compliance with any of the architectural provisions of this Declaration or the Planning Criteria, including, without limitation, restrictions upon height, size or placement of structures, or similar restrictions, when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental considerations may reasonably require. Such variances must be written and must be signed by at least two (2) members of the ARB. If variances are so granted, no violation of this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to wave any of the terms and provisions of this Declaration or the Planning Criteria for any purpose except as to the particular Residential Unit and the particular provision covered by the variance, nor shall it affect the Owner's obligation to comply with all applicable governmental laws and regulations.

Section 5. Waiver of Liability. Neither Declarant, the ARB or the Association shall be liable to anyone submitting plans for approval or to any Owner or occupant of The Properties by reason of or in connection with approval or disapproval of any plans, or for any defect in any plans submitted, revised or approved in accordance with the requirements of the ARB, or for any structural or other defect in any work done according to such plans. Approval of plans, or any other approvals, variances or consents, are given solely to protect the aesthetics of The Properties in the judgement of the ARB and shall not be deemed a warranty, representation or covenant that any action taken in reliance thereon complies with applicable laws, codes, rules or regulations, nor shall ARB approval be deemed approval of any plan or design from the standpoint of structural safety or conformity with building or other codes. Every person who submits plans for approval agrees,

by submission of such plans, and every Owner or occupant of any Residential Unit agrees, by acquiring title thereto or an interest therein, that it will not bring any action, proceeding or suit to recover any such damages.

This article may not be amended without Declarant's written approval so long as Declarant owns any Lot.

Section 6. Enforcement of Planning Criteria. Declarant and the Board shall have the standing and authority on behalf of the Association to enforce in courts of competent jurisdiction the Planning Criteria and the decisions of the ARB. Should Declarant or the Association be required to enforce the provisions hereof by legal action, the reasonable attorneys' fees and costs incurred, whether or not judicial proceedings are involved, including the attorneys' fees and costs incurred on appeal from judicial proceedings, shall be collectible from the violating Owner. Should any Owner fail to comply with the requirements hereof after thirty (30) days written notice, Declarant and the Association shall have the right but not the obligation to enter upon the Owner's property, make such corrections or modifications as are necessary, or remove anything in violation of the provisions hereof or the Planning Criteria, and charge the cost thereof to the Owner. Declarant and the Association, or their agents or employees, shall not be liable to the Owner or to any occupant or invitee of any Residential Unit for any trespass or damages or injury to the property or person unless caused by negligence or intentional wrongdoing.

ARTICLE IX

EXTERIOR MAINTENANCE

Section 1. Owner's Responsibility; Default. Each Owner shall keep and maintain the building improvements, landscaping, and, except as set forth in Section 2 below, surface water drainage structures located on his Residential Unit, in good and presentable condition and repair consistent with the approved plans therefor, and shall otherwise keep such Residential Unit in neat and attractive condition at all times. The Association shall have the right but not the obligation to provide exterior repair and maintenance on any Residential Unit in the event of default by any Owner in the duties hereby imposed. Prior to performing repair or maintenance on any Residential Unit, the Board shall determine that same is in need of repair or maintenance and is detracting from the overall appearance of The Properties. Except in the event of an emergency, prior to commencement of any work, the Board must furnish written notice to the Owner to the effect that, unless specified repairs or maintenance are commenced within fifteen (15) days after the mailing of the notice, and thereafter diligently pursued to completion, the Association may procure said repairs. Upon the Owner's failure to commence timely and to diligently

pursue the repairs or maintenance, the Association and its agents or employees shall have the right to enter in or upon the Lot and the exterior of any Dwelling to perform the repairs or maintenance specified in the notice. In this regard, the Association shall have the right to do such things as, but not limited to, paint, repair, replace and care for pools, pool enclosures, roofs, gutters, downspouts and exterior building surfaces, clean or resurface paved access ways and parking areas, trim and care for trees, shrubs, grass, walks, swales, berms and other landscaping and drainage improvements, as well as to provide general cleanup, shoreline maintenance, and removal of debris which in the opinion of the Board detracts from the overall beauty and setting of The Properties. Neither Declarant, the Association, nor their agents or employees, shall be liable to the Owner or any occupant or guest for trespass, or damage or injury to the property or person unless caused by gross negligence or intentional wrongdoing.

Section 2. Assessment of Cost. The cost of the work described in Section 1 shall be assessed as an individual assessment against the Owner of the Residential Unit upon which such work is done. The individual assessment shall be secured by a lien upon the affected Residential Unit and shall also constitute a personal obligation of the Owner. The individual assessment shall be collectible, along with interest at the highest rate allowed by law from date of expenditure to date of repayment, and costs of collection and attorneys and paralegals fees, whether or not suit be brought, in the same manner as delinquent annual assessments.

Section 3. Access at Reasonable Hours. In order to perform the repairs or maintenance authorized by this Article, the agents or employees of the Association may enter upon any Lot and the exterior of any Dwelling during reasonable hours on any day except Sundays and holidays, except that in an emergency situation, as determined by the Board, entry may be made at any time.

Section 4. Association Maintenance Responsibility. The Association shall maintain and keep in good repair the Common Properties and Areas of Common Responsibility and the landscaping and other improvements located thereon. Such duties include without limitation sign and wall repairs, irrigation, fertilizing, weeding, mowing, trimming, spraying and periodic replacement of damaged or diseased plantings with comparable plantings. Landscaping is to be maintained in substantial accordance with the quality and quantity of plantings originally installed by Declarant. Nothing in these requirements shall restrict the Association from upgrading landscaping materials. It shall also be the affirmative duty of the Association to maintain at Common Expense all surface water drainage facilities, structures and features located in The Properties or Areas of Common Responsibility and comprising part of the approved and permitted master surface water management plan for Loma del Sol. It is

intended that each Owner will, at his expense, keep and maintain those portions of the surface water management system located on that Owner's Lot free of debris and other obstructions on a routine basis, but that, when required, major repairs to, and major maintenance and reconstruction of, the overall surface water management system not necessitated by abuse, alteration or negligence of an Owner, will be performed by the Association, at Common Expense.

ARTICLE X

RESTRICTIVE COVENANTS

The Properties shall be subject to the following covenants and restrictions which shall be binding upon each and every Owner and his Residential Unit:

These matters are set out by way of illustration only and shall not be construed to limit the authority of the Board to promulgate and enforce rules and regulations. Such rules and regulations may augment or clarify the terms of this Declaration or any provision, covenant or restriction herein contained. Copies of such rules and regulations shall be made available to each Owner prior to the time same become effective.

Section 5. Animals. Birds, fish, dogs and cats may be kept as pets only, and shall not be held or offered for sale or maintained or bred for any commercial use. Section 6. Garbage and Trash. No trash, garbage or other waste material or refuse shall be placed or stored on any part of The Properties except in covered or sealed sanitary containers. All such sanitary containers must be stored within each Dwelling, buried underground, or placed within an enclosure or concealed by means of a screening wall of material similar to and compatible with that of the Dwelling.

Declarant or the Association may enter upon any Lot and remove and destroy any signs which do not meet the provisions of this Section. This shall not apply to Declarant or Builders.

Section 11. Air-Conditioning Equipment. No air-conditioning equipment other than compressor units may be visible on the exterior of any Dwelling unless approved by the ARB, which approval may be based on the adequacy of screening of such equipment. The ARB may prohibit window or wall air-conditioning units altogether.

Section 12. Drainage Structures. ARTICLE XI

AMENDMENT BY DECLARANT

Declarant reserves and shall have the sole right to (a) amend this Declaration for the purpose of curing any error or ambiguity or any inconsistency between the provisions contained herein; (b) include in any contract or deed or other instrument hereafter made any additional covenants and restrictions applicable to any Residential Unit which do not materially lower the standards of the covenants and restrictions herein contained; (c) release any Residential Unit from any part of the covenants and restrictions contained herein which have been violated if Declarant, in its sole judgement, determines such violation to be a minor or insubstantial violation; (d) amend this Declaration without vote or consent of the Owners in any manner which does not adversely affect the substantive rights of the then-existing Owners or their mortgagees; and to (e) amend this Declaration during the first two (2) years after same has been recorded to comply with the request of any first mortgagee, (f) to modify and amend this Declaration as may be required by the Federal National Mortgage Association, the Federal Housing Administration, the Veterans Administration or other purchaser of insurer of first mortgages upon the Residential Units without acquiring the approval or joinder of any other Unit Owner or mortgagee. The forgoing amendments may be made without the joinder or approval of any Owner, Mortgagee or the Association. Any amendment of these documents which would affect the surface water management system, including the water management portions of the common areas, must have the prior approval of the Southwest Florida Water Management District.

ARTICLE XII

ADDITIONAL COVENANTS AND RESTRICTIONS

No owner may, without the prior written approval of Declarant for so long as Declarant owns any lands which are eligible to be annexed to the scheme of this Declaration, and thereafter without the prior written approval of the Board, impose any additional covenants or restrictions on any part of The Properties.

ARTICLE XIIIAMENDMENT

Except as otherwise expressly provided herein, any provision, covenant, or restriction set forth in this Declaration may be amended in accordance with the provision. The holders of at least three-quarters (3/4) of the votes in each class in the Association, may change or amend any provision hereof (1) by executing a written instrument in recordable form setting forth such amendment, or (2) by causing a certified copy of a duly adopted resolution of the Owners to be prepared, and having the same duly recorded in the Public Records of Polk County. A proposed amendment may be initiated by Declarant, the association, or by petition signed by ten percent (10%) of the Owners. If a proposed amendment is to be adopted by vote, a written copy of the proposed amendment shall be furnished to each Owner at least thirty (30) days but not more than ninety (90) days prior to the meeting to discuss the proposed amendment. If adopted by vote, the affirmative vote required for adoption shall be three-quarters (3/4) of the votes of the Members of each class in person or by proxy at a meeting duly called, and the recorded certificate shall contain a recitation that notice was given as above set forth and said recitation shall be conclusive as to all parties, and all parties of any nature whatsoever shall have full right to rely upon said recitation in such recorded certificate. The amendment shall be effective upon recordation of the executed amendment or the certified copy of the duly adopted resolution among the Public Records of Polk County.

Notwithstanding anything herein contained to the contrary, no amendment of this declaration which in any way limits, diminishes or otherwise adversely affects any institutional mortgagee's position, right or equity as mortgagee of a Residential Unit shall be effective against that mortgagee without the joinder of the institutional mortgagee. For the purposes of this statement, an institutional mortgagee shall be defined as a bank (including, without limitation, a mutual savings bank), life insurance company, savings and loan association, real estate investment trust, pension fund, trust, government agency, mortgage company, FNMA, or other lender active in the area, including the successors and assigns of any such entity.

So long as the Declarant shall own any Lot or any land s which are eligible for annexation, no Declarant-related amendment shall be made to this Declaration, any Supplemental Declaration, the Certificate of Incorporation, or the Bylaws unless such amendment is first approved in writing by Declarant. Any amendment shall be deemed to be Declarant-related if it does any of the following;

(i) directly or indirectly by its provisions or in practical application relates to Declarant in a manner different from the manner in which it relates to other Owners,

(ii) modifies the definitions provided for by Article I of this Declaration in a manner which adversely alters Declarant's rights or status,

(iii) modifies or repeals any provision of Article II of this Declaration,

(iv) alters the character and rights of membership as provided for by Article III of this Declaration or affects or modifies in any manner whatsoever the rights of Declarant as a Member of the Association,

(v) alters any previously recorded or written agreement with any public or quasi-public agencies, utility company, political subdivisions, public authorities or other similar agencies or bodies, respecting zoning, streets, roads, drives, easements or facilities,

(vi) denies the right of Declarant to convey Common Properties to the Association,

(vii) modifies the basis or manner of assessment as applicable to Declarant or any lands owned by Declarant, or

(viii) alters or repeals any of Declarant's rights or any provision applicable to Declarant's rights as provided for by any provision of this Declaration or any Supplemental Declaration.

Also, notwithstanding anything herein contained to the contrary, as long as there exists a Class "B" membership, the following actions will require the prior approval of the Federal Housing Administration or the Veterans Administration: annexation by the Association of Additional Property, any merger or consolidation involving the Association, the placing of any mortgage lien on the Common Properties, dedication to the public of any Common Properties or any amendment of this Declaration.

Section 2. Severability. The invalidation of any provision or provisions of the covenants and restrictions set forth herein by judgement or court order shall not affect or modify any of the other provisions of said covenants and restrictions, which other provisions shall remain in full force and effect.

Section 4. Lessees, etc. to Comply. All tenants, guests and occupants of each Residential Unit shall be subject to the terms and conditions of this Declaration, the Bylaws, the Certificate of Incorporation, and the rules and regulations promulgated by the Board to the same extent as each Owner. In the event that a tenant, guest or occupant violates a provision of this Declaration, the Bylaws, the Certificate of Incorporation or the rules and regulations, the Board shall have the power to bring an action or suit against the said tenant, guest or occupant to recover sums due for damages or injunctive relief, or for any other remedy available at law or equity.

Section 5. Attorneys' Fees and Costs. In any proceeding arising because of alleged failure of an Owner to comply with the terms of this Declaration, the prevailing party shall be entitled to recover the costs of the proceeding and such reasonable attorneys' fees as may be awarded by the court.
